Greetings Community Based Organizations,

The 5th Annual Art Hop is fast approaching and we are busily preparing for its arrival. This year promises to be a family fun-filled event featuring local galleries, several booths filled with artists, art demonstrations, merchandise, and food vendors. Activities will include: free art contest, community art projects, horse-drawn carriage rides, a family fun area, and more. A variety of entertainment provided by several local performing groups will fill the venue with excitement and music. The Art Hop is being promoted in local newspapers, radio stations, at Banning & Beaumont schools, Fox theatre and on several websites.

We would like to invite your group to participate in this event. It is our hope to provide you this opportunity to promote your non-profit's mission and recruit membership. We feel your success will be determined by your organization's booth appeal. For this reason we ask **your group to engage event attendees by offering an activity, craft, product, or entertainment.** If your group would like to host an existing event activity, (art project, Family Fun area, surveys, etc.) please let us know.

Please join us in making this a successful, community-building event. If you have any questions, suggestions, or if you would like to serve on the Organizing Committee, please feel free to contact me.

Best regards,
