

# Join PAPA's Circles of Support

**OUR HISTORY:** PAPA was formed in 2007. At the time there was no live community theater in the San Geronio pass area. The founders felt it was time to provide this much needed theatrical experience to local residents.

## ***Help Fulfill the Dream***

**Our Vision:** There is a thriving community theater that resides in a bustling Performing Arts Center. Talent from near and far are attracted to perform in the widely diverse productions in this theater. Through broad and generous public support it is possible to attract featured guest artists to the stage in Banning. PAPA is an established institution serving not only the San Geronio Pass Area but is also a beacon to theater lovers from across southern California.
